### Promo SKU = 996-896

- Veranda HP is a lightweight PVC deck board engineered to provide the highest quality performance.
- Minimal maintenance; weather, scratch, and stain resistant, will not warp or rot.
- No special tools required, install like wood decking.
- Square edge boards.
- Non-skid surface.
- All boards must be gapped to allow for thermal expansion and contraction.
- Lifetime Limited Warranty.
- Made in the U.S.A.
